You'll have to be fast to go skating at the world's most famous ice stage - The Rink at Rockefeller Center. The good news is that Santa will still be visiting before Christmas and that our ITNY performers may pop up from time to time during this short season.

If you are in Midtown, walk over to @bryantpark to watch our Pop-up concert at 1PM. Today's performers are [Sally Jeanne Watkins](#) and Armen Agaian. It's a beautiful day for dancing on ice, even if it is a little warm for the ice.

This is beautiful! It is so valuable to learn how to control edges and carriage when adding simple arm movements. It is harder than it looks!

Beautiful. We are taught in Belly Dance these long extensions of our arms to our fingers reaching out closed Like growing up into a tree to reach the sun to grow Edge work so soft and yet powerful. 🌟🌟🌟🌟❤️👏
