1998 Rehearsal Fund Benefit

honoring

Scott Hamilton

celebrating his artistry and athleticism

Dear Benefit Patrons:

Welcome to the Scott Hamilton Tribute!

We are pleased to have Scott joining us this evening and thank him for his generosity of time and spirit in helping to further the work of Ice Theatre. Our ensemble is an important performance alternative for both emerging and accomplished artists.

On behalf of the board of directors, company members and staff of the Ice Theatre of New York, we thank all of you for your generous support of the Rehearsal Fund.

A very special thanks goes to the staff and those committee members and volunteers who truly gave of their hearts and time to make this event a success. We could never have done it without you!

Enjoy!

Sincerely,

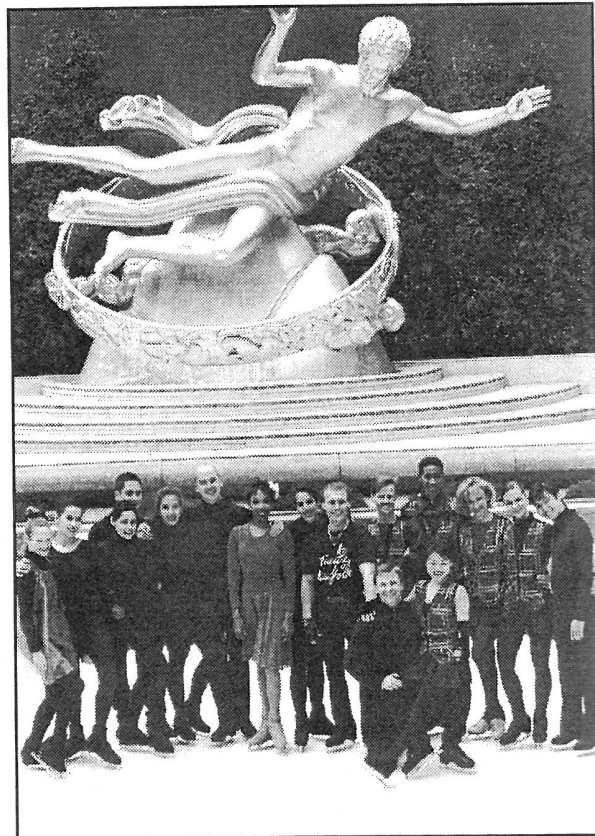

Kathy Feuerstein and Doug Wilson
Benefit Chairs

1998 The Rehearsal Fund

Now in its fourteenth year, Ice Theatre of New York is the nation's first not-for-profit ice dancing ensemble to be awarded grants by the National Endowment for the Arts and The New York State Council on the Arts. It has proven an enduring, innovative and exciting concept, bringing together individuals who share a non-traditional vision of dance on ice as an exhilarating and challenging art form.

The company has succeeded in creating and sustaining an environment that enables professional skaters to collaborate with choreographers, musicians, writers, and visual artists that has produced a memorable repertory of over sixty works. In addition, the company has inaugurated important educational programs and produced annual concerts at Rockefeller Plaza, Sky Rink/Chelsea Piers and Riverbank State Park.

A critical element enabling Ice Theatre of New York to survive is **The Rehearsal Fund**, which helps to support the ongoing, ever-rising costs of rehearsing new works: ice time, choreographers' and composers' commissions, and salaries.
