# ICE THEATRE OF NEW YORK

The mission of Ice Theatre of New York is to develop and foster ice skating as a performing art through performances and its educational outreach programs. It is the nation's first not-for-profit ice dancing ensemble. Since its inception, the company has created a repertory of over forty works that include choreography by major modern dance choreographers, such as Ann Carlson, William Whitener, Laura Dean, Donlin Foreman, David Dorfman and Lar Lubovitch. Ice Theatre has produced programs with such renowned skaters as John Curry, Toller Cranston, Paul Wylie, Nancy Kerrigan, Maia Usova and Alexander Zhulin, Judy Blumberg and Michael Siebert, and Katherine Healy. Ice Theatre of New York is currently The Ice Dance Company in Residence at the new Chelsea Piers Complex. Our educational PPAS program is in its fourth year. This program is designed for New York City Public School students grades 6 - 12 to major in figure skating, emphasizing skating's artistic elements and applications. Ice Theatre has participated and developed Open Rehearsals for young audiences at Riverbank State Park. The company has performed and conducted master classes throughout North America and Canada and has also been produced by major dance presenters, including Boston's Dance Umbrella, Vermont's Flynn Theatre, First Night Annapolis and in Europe.
